

First Sunday Communion

We hold a family-friendly, informal communion on the first Sunday of each month at St Michael's. Craft, discussion, workshop, prayer and much more lead into a simple sharing of bread and wine and blessing. Each time the service is based on a different Christian theme and explores passages from the Bible. After the service there is always refreshment and a time to get to meet others. All are welcome to these services, and children and toddlers are catered for.

Anne McCormick is the best person to contact for more information about The First Sunday Communion on 01469 561082 or at anneoflimber@btinternet.com
