June is a wonderful month for growing things. Long days, sunshine and rising temperatures bring on summer fruitfulness. It's a time when we can grow our faith too. Plant five seeds in a pot each one remembering a person you feel you want to pray about. As the seeds grow think of the way you want them to grow, perhaps to grow in happiness, grow in confidence, grow in resilience - and pray for them. Help us grow community in the parish too, by coming to the Big Lunch on Sunday the 3rd of June, **from 12.00 noon - 2.00 pm.**

This year we have decided to get on board with the **Eden Project's Big Lunch.** We greatly enjoy our community carol service and thought it might be good to have a summer event at which groups could showcase their talents and socialise. There will be toys and games out for the children and if everyone brings finger food to share we will have more than enough to go around. Join millions of others across the UK by sitting down to have lunch with your neighbours - Sunday 3rd June 2018. Here's all you need to know:

“*The Big Lunch is the UK's biggest annual get together for neighbours. It's a simple idea - that for a few glorious hours, cars stop, shyness stops and neighbours come together in the street to meet, greet, share, swap, sing, plan and laugh. In 2017, 9.3 million people took to their streets, gardens and neighbourhoods to join in for a few hours of community, friendship and fun.*”

Join in this year, on Sunday 3 June, and help us make 2018 the biggest Big Lunch yet!

**Rev Anne**

The **Bible Study Group** meets Monday 4 June and Monday 25 June this month. There will be no meeting on Monday 18 June.
